

Drive mission and alignment across your entire business

As a technology partner, we see firsthand that hybrid work has opened up greater flexibility for business like yours—but it’s also made it harder to get everyone aligned around company and team priorities.

50%
of employees

say that having clear goals gives them a greater sense of purpose¹

96%
of leaders

of leaders say effective communication is the most critical skill they’ll need in the year ahead²

A whole new way to understand and engage your workforce

That’s why we recommend Microsoft Viva. Now, you can empower and energize your workforce by creating space for conversations, communities, and learning.

Combine the power of large language models with data in the Microsoft Graph

Embed objectives and key results (OKRs) into your business processes

Open up transparent communication so employees feel valued tools

When you use Microsoft Viva, everyone will get the big picture of how goals cascade through the business

A modular platform meets your specific needs

Microsoft Viva consists of nine different modules, so you get customized solutions for your unique business. Here’s how these modules are used to drive mission and alignment.

Viva Amplify

- Centralize communication processes in a single space
- Drive engagement by delivering messages across their apps

Viva Goals

- Show how all levels of the organization are connected
- Integrate goals into the existing flow of work
- Simplify goal-setting and check-ins with AI
- Keep employees update about new and met goals

Viva Engage

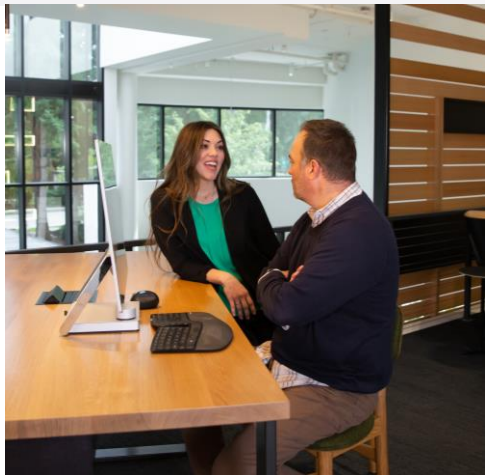

- Build a two-way dialogue between leadership and employees
- Get leadership tools to engage directly with people
- Equip communicators with the right talking points
- Deliver real-time answers to critical questions with AI

Microsoft Viva benefits

Build and manage your OKRs in one place with guidance and structure to make adoption easy.

Bring OKRs into the tools where employees already work and automate updates from critical work systems, so goals are always top-of-mind.

Connect employees to your organization’s mission and priorities, stay aligned and focused at scale, and drive engagement.

Let’s get started

There’s no better time to get everyone on board with your business strategy. As a trusted Microsoft Partner, we can help enhance your Microsoft Viva experience by providing a tailored, integrated, and well-supported solution that maximizes the benefits of OKR management while minimizing the complexities of implementation and maintenance. Our goal is to drive mission and alignment across your entire organization.

We’re ready to help you in your transformation and achieve your business goals.
